Day Two

The CEA Bargaining Team met with Kate Sheehan and John Wood ready for negotiations. CEA proposed six articles with changes. Of the six, one was tentatively agreed. CEA did not receive count proposals to Articles 1, 3, 5 or 14, presented by CEA to the State on February 9, 2022.

The State has still not made any financial proposals. The Bargaining Team was joined by 3 CEA members who were able to view the proceedings in the room while there were several members on the phone listening in.

Thank you to everyone who wore their CEA shirt or used the CEA background. Your support is greatly appreciated!

What's Next?

Our next meeting date is March 9, 2022

What Can Members Do?

Come to the update sessions that will occur at lunch time on the day following the meeting and wear your CEA shirts for support during negotiations. If you would like to volunteer to look at articles please let a member of the Bargaining Team know.
