

Confidential Employees Association Ryan Olaf Johanson Memorial Scholarship Program (College & Trade School Students)

The Confidential Employees Association-sponsored scholarships will be awarded to members in good standing and their dependents. Two applicants will be selected annually, based on the overall quality of writing, use of citations, formatting, and subject matter knowledge demonstrated within the essay. Scholarship awards may be used to cover tuition and fees, books, housing, or any other fees associated with attendance at an accredited college or trade school.

Each selected participant will be awarded a scholarship in the amount of five hundred dollars (\$500.00).

The Selection Committee will review and rate all submissions. Any submitted works become the property of the Confidential Employees Association that may be used for publication in CEA-related media, such as newsletters.

The two top-rated submissions will be selected and scholarship recipients will be notified by October 31 of each year, with the dispersal of the funds occurring in November of each year.
